QUARTER 3

(1 JUL TO 30 SEP 2025)

HIGHLIGHTS

This quarter, RAHAMA directly reached more than **2,500 people** in Northern Sri Lanka. Together, we helped:

- **285 parents, teachers, students, preschool teachers** gain knowledge on child rights and protection
- **135 parents and students** benefit from heightened awareness on drugs and alcohol prevention
- **394 farmers** receive agricultural support and technical guideline for climate adaptation
- **83 SMEs** gain knowledge on value addition and marketing and receive registration support
- **19 IDP families** (till Q3 of FY25) find access to shelter, sanitation, water and home gardening
- **139 youth** continue vocational training and receive knowledge on NVQ level courses and RPL
- **39 CSO members and community leaders** seek capacity development and receive awareness
- **36 preschool teachers** participate mental health awareness session
- **63 duty bearers** involve in an assessment and **298 villagers** seek access to directly make complaint on requirement
- **50 police officers** in Women and Child Desk gain knowledge and complaint handling skill
- **1 Divisional Secretariat** receive support to garbage collection and environmental protection

PROTECTING CHILDREN FROM VIOLENCE

At an awareness raising session at Kilinochchi Central College, law enforcement officers shared the experiences in handling child-related cases, providing students with a better understanding of the protection systems available in Police.

At the Thunukkai Divisional Secretary, an awareness program to strengthen Village Child Development Committees (VCDC) was held on 19.08.2025 at secretariat's conference hall.

In total, 47 preschools took part, with about 125 children and 55 teachers in varying sports and games were organized, helping the children improve their physical skills, teamwork, and social interaction in a joyful environment.

RECOVERY AND HUMANITARIAN ACTION MANAGEMENT AGENCY (RAHAMA)

RAHAMA continued efforts to uplift the war-torn population in Northern Sri Lanka to rebuild livelihoods and bring about an alcohol-free, resilient, child-friendly, gender sensitive region towards mainstream development. We focus on resettlement, economic activity, food security, disaster recovery, land rights, migration and human trafficking victims, women leadership, etc.
